Arezzo – **Via Cavour 85**, in Arezzo, will host from June 13 until June 26, 2015, the solo exhibition of photography entitled “*Life happens*” by **Pinque Clark**, American photographer.

Saturday, May 30, at 6PM, will be the opening reception with the presence of the artist. Journalist **Fabrizio Borghini** will also be present for the transmission **Encounters with Art (Incontri con l’Arte)**.

The exhibition, curated by Professor **Mario Belardi** and artist and founder of Via Cavour 85 **Danielle Villicana D’Annibale**, will host a sensational selection of new expressive images, exhibited for the first time in Arezzo.

“*The photographs of Pinque Clark...*” writes co-curator Danielle Villicana D’Annibale in the introduction of the catalogue, “...are synonyms for vitality, joy and freedom.”¹

“*Also in this second exhibit P. C...*” explains the co-curator Mario Belardi, “...gives us amazing emotions through the images that she proposes us: images of the imagination that, in the photographic picture, she expresses how much more beautiful we happen to see life while living it.”²

Saturday, June 20, at 6PM, a collateral event by the title “Meeting between **Pinque Clark** and a selection of noted photographers from Arezzo,” conducted by journalist **Marco Botti** and **Danielle Villicana D’Annibale**.

The catalogue that will accompany the exhibit is curated by **Danielle Villicana D’Annibale** and will include a critical text by Professor **Mario Belardi** written for the occasion. The publication may be visualized and may be purchased on the Blurb platform.

The solo exhibition of Pinque Clark may be visited, at free entrance, until Friday, June 26, 2015 with the following hours: Tuesday to Saturday, from 10AM-1PM and 3PM to 8PM, Sunday and Monday from 10:00AM to 1PM and from 3PM to 8PM or by appointment.

The exhibit enjoys the collaboration with the **Toscana Cultura Association** and **Villa Margherita a Paradise for Artists in Tuscany** and media partner **Toscana TV**.

Brief biography of the photographer:

Pinque Clark was born and raised in Little Rock, Arkansas. After college, she moved to Boulder Colorado to pursue a career in Geology, a career which soon after was set aside to pursue her greater passion: photography. She began her professional career in photography in 2011. Her first significant exhibit, *It’s All Here In Black and White* was held at the Terry Bell Photographic Gallery in Denver, Colorado. Since then, she has exhibited extensively in regional, national and international juried exhibitions, winning many important awards. Pinque Clark has also published two books, one in 2013 entitled *The Car Guy Tour*, reflecting work around the most important automobile design houses in Italy and another in 2014 entitled *My Colorado*, a visual treat of diverse Colorado landscapes.
